

Victory Outreach International, Ministry of Education

Welcome to VETI

You are about to embark on one of the greatest adventures of your life, the formal study of the Word of God in an academic setting.

Victory Education and Training Institute (VETI) is a cutting-edge Bible Institute providing biblical, ministerial, and leadership training.

About Us

VETI is part of the Victory Outreach International Ministry of Education (MOE) along with several other training pathways. For details on each training pathway, click [here](#).

Founding Pastor Sonny Arguinzoni Sr. and his wife Julie started in 1967 with a vision to reach out to hurting people in their community. Their goal was to prepare these men and women, “Treasures Out of Darkness” for the work of the ministry through discipleship, leadership development, and academic training.

VETI is like a diamond factory, polishing our “Treasures Out of Darkness”. Many of our students are diamonds in the rough, being refined, enhanced, polished & trained to go back into the world to positively influence society and reach out to other lost “Treasures”.

At VETI you can:

1. EARN an Associate’s degree in Bible and Theology.
2. COMPLETE your degree in as little as 2 years from the largest Bible institute in the nation.
3. LEARN from faculty who embody the mission and vision of Victory Outreach International.
4. TRANSFER V.E.T.I. units toward a Bachelor’s degree at Victory Outreach Bible College and [partnering Universities](#).
5. EXPERIENCE LIVE online courses and interact with instructors and students in real-time.
6. PREPARE to be a [Licensed Minister](#) or Youth Pastor.

Four Learning Formats

At VETI we understand that people learn differently. That’s why we offer courses in four different formats:

1. On-Site Classes in local extensions (postponed until the Covid pandemic is over).
2. Live Streaming Courses (via Zoom).
3. Online Courses (via Canvas).
4. [On-Demand](#) Courses (via Canvas).

For details on each learning, format click [here](#).

How to Begin

In order to enroll in a VETI course, you will need to [create a student account](#) by completing an application on our student enrollment system, Maestro.

Even if you already have a Victory Outreach account for your past courses, you still need to create a new account on Maestro for all of your future VETI courses.

If you already created an account on Maestro and forgot your password, click on the forgot password button.

Maestro provides you with one location to do all of the following:

- Register and pay for courses (on-site, on-line, on-demand, and streaming live via zoom)
- Access your grades in current courses and monitor your progress
- Log in to your Canvas online and on-demand courses
- Receive updates from the Ministry of Education
- View announcements from your instructors
- Contact your instructors

Having every student apply through Maestro allows Academic Services to obtain the most up-to-date information possible, and avoid duplicate accounts.

Once you have applied, your application will be reviewed and approved within 1 business day.

Once approved you will be notified via the email address used in the application process, with instructions on [how to enroll](#) and pay

for your VETI, VOBC, Third Wave Campus, or Arguinzoni Academy course.

Keep in mind that each student must have a unique email address. You cannot use the same email address as your spouse or anyone else. Be sure to write your username and password in a safe place so you can easily access them (consider saving your new password in a new contact on your phone).

What to Enroll in First?

There is no specific order in which you are required to enroll in courses although one of your first 3 courses should be “Research, and Writing”. This class will teach you how to more easily complete your homework successfully (especially the writing assignments).

If you have already enrolled in an English course at another college or university you do not need to enroll in this course. After a review of the college or university transcripts, we may be able to give you credit for that course.

Here are the video instructions [on how to Enroll in a VETI Course.](#)

To check and see what classes you have enrolled in, simply log into [Maestro](#) and scroll to the bottom of the page.

If you enrolled in an Online or [On-demand course](#). Here is [how to access your course](#).

See also our [Academic Integrity Policy](#).

Tuition

In the USA the tuition cost for each 3-unit course is \$145.

Transcripts

To see what courses you have previously completed request a copy of your [transcripts](#). Courses from the Modules, VOSOM, VOIBI, etc. still count as VETI elective courses.

What it Takes to Graduate

In order to graduate from VETI, 19 core courses and any 5 elective courses are required. Download the [Master Course Checklist](#) to view all of the courses and to keep track. All [Arguinzoni Academy](#) courses, Media intensives, Third Wave Training, and past “Modules” count toward the VETI elective requirements. Five elective courses are required to graduate.

Students can access grades/transcripts anytime by logging into their school account, [here's how](#).

Victory Outreach Bible College (VOBC)

For those who desire to continue their education after graduating from VETI, we encourage them to take the “Next Step” and enroll in [Victory Outreach Bible College](#) (VOBC) to earn a BA in Christian Ministry.

VOBC is the next step for VETI graduates. VETI graduates can also transfer to any of our [partner universities](#) to earn an accredited bachelor's or master's degree.

Whatever your goals are, we believe that VETI is the starting point for all leaders and those seeking to grow in their knowledge of the Bible, doctrine and theology.

The Arguinzoni Academy

The Arguinzoni Academy provides **students** with a variety of practical ministry training from the unique perspective of VOI.

There are no requirements needed to enroll in any track. Students can enroll in both VETI and the Arguinzoni Academy at the same time. All Arguinzoni Academy credits received count towards the five required VETI elective courses.

Our History

VETI began in 1983 as Victory Outreach School of Ministry. On December 14, 2001, the school officially became an Institute with the state of California.

Our primary vision is to equip men & women for the work of the ministry.

Today, V.E.T.I. reflects the needs of a multi-cultural population providing relevant education in biblical, theological, and ministerial disciplines all over the world.

Our Faculty

Our faculty comes from a diversity of backgrounds although they all have one thing in common: each has practical, hands-on experience.

This means students not only engage in in-depth discussions but also learn from experts in the field, in the areas of leadership, education, theology, doctrine, and ministry.
